

# Keep Shropshire Warm

**Helping residents in Shropshire reduce their fuel bills and the health risks of living in a cold home.**

Our friendly team can provide advice & support on any energy topic, including:

- Keeping warm at home
- Financial support and discounts
- Insulation & heating grants
- Support during power cuts
- Energy bills, tariffs & suppliers

**"It's so wonderful to have a warm house – just being able to come home from work and flick on a switch is life-changing."**

Shropshire nurse, Claire

Who received a first time central heating grant.
