

Please join us for **two** illustrated talks
by **two** local residents:

Two very different approaches to one common problem - to improve energy efficiency and reduce the carbon emissions our homes are responsible for.

*'A retrofit journey to make
a 1960's house more
energy efficient'*

1

*'Our journey
towards lower carbon
living'*

2

Wednesday 13th March at 7:30 pm

at

Church Stretton Methodist Church

Admission: members free, non members £3.00
