

Stretton Climate Care

invite you to a talk by

Colin Preston MBE,
the current Chair of the
Marches Nature Partnership

Colin's talk will explore the urgent need to restore our natural environment in Shropshire and the wider Marches region - a vital step in combating biodiversity loss and addressing the impacts of the climate crisis such as increased flooding.

Discover how his groundbreaking initiatives are paving the way for a sustainable future and join in the conversation.

The AGM business meeting will start promptly at 7pm on the 22nd November and Colin's talk will commence at 7.30pm with refreshments.

Members free, visitors a donation.
All welcome.
